High Resolution CD-Rom Only Packages (All Include Copyright Release):

All Packages include one photographer. Images will be the highest of resolution, be color corrected and cropped on the CD, and will include a copyright release form so that you can make prints for yourself at a store or at home. Packages also include Password Protected Online Viewing of your images for 60 Days so Family and Friends can view and purchase the images. Number of images you will receive depends on the photographer, but will be approximately 50-70 per hour.

Another option is to receive all that is included above plus the proofs. Proofs come in a proof box, but a proof book can be purchased for an additional \$75.
